## Beyond your basic warranty plan

Why pay more for an extended warranty plan through an auto dealership? Grace First Insurance Agency offers Mercury's Mechanical Protection plans which extend coverage to virtually all mechanical and electrical components of your vehicle. They also include additional coverage benefits such as

- 24-hour Roadside Assistance,
- Rental Vehicle Assistance,
- Tire Protection Reimbursement and
- Trip Interruption Reimbursement.

Mercury's affordable Mechanical Protection plans are available for new and pre-owned vehicles and are transferable if you sell your vehicle before your agreement expires.

## Protect your home while you're away

- Ask a trusted neighbor to gather packages, flyers or anything else that is left on your porch and keep an eye on your home.
- Contact the postal service to stop your mail delivery.
- Set a few inside lights to turn off and on at various times.
- Ask your local police department if they will do a vacation home check.
- Lock your doors and windows.
- Keep your valuables out of sight.
- Do not post photos of your amazing vacation on social media until you return home.

## We have a winner! (Well, actually we have lots of them!)

Ron Rose is the first quarter winner of our Refer a Friend Program! He was entered into our \$100 Amazon gift card drawing by referring a friend to our agency for an insurance quote.

Who are the other winners, you ask? When we quote your friend's insurance, we will make a donation of \$10 to the charity of YOUR choice. So, the first quarter winners also include the American Cancer Society, Make-a-Wish, St. Jude Children's Research Hospital, American Heart Association, Susan G. Komen, Salvation Army and others.

Do you want to be entered into our second quarter drawing for a \$100 Amazon gift card and have \$10 donated to the charity of your choice? Just refer a friend to our agency for an insurance quote! If we write your friend's insurance policy, you will also receive a \$25 gift card!
