## Thinking About Purchasing A New Car?

Did you know that we offer Mechanical Breakdown Insurance through Mercury? Give us a call and let us give you a quote! Here's a few facts:

- Repairs can be done at any licensed US or Canadian repair company
- No limit on the number of claims up to maximum liability
- Mercury pays the repairer directly by credit card. Out of pocket expense is limited to your deductible (if any)
- All claims are handled by Mercury, not a 3rd parts administrator
- Transferable one time for a small fee if you sell to a private party
- Cancellable (prorated based on the greater of times or miles)

Can be purchased regardless of your insurance carrier. Tell your friends... you do not need to be a current customer.
